Itâ€™s All Coming Back To Me Now

Paxton Ingram

There were nights when the wind was so cold
That my body froze in bed
If I just listened to itRight outside the windowThere were days when the sun was so cruel
That all the tears turned to dust
And I just knew my eyes were
Drying up foreverI finished crying in the instant that you left
And I can't remember where or when or how
And I banished every memory you and I had ever made
But when you touch me like this
And you hold me like that
I just have to admit
That it's all coming back to me
When I touch you like this
And I hold you like that
It's so hard to believe but
It's all coming back to me
(It's all coming back, it's all coming back to me now)There were moments of gold
And there were flashes of light
There were things I'd never do again
But then they'd always seemed right
There were nights of endless pleasure
It was more than any laws allow
Baby Baby
When you touch me like this
And when you hold me like that
It was gone with the wind
But it's all coming back to me
When you see me like this
And when I see you like that
Then we see what we want to see
All coming back to me
The flesh and the fantasies
All coming back to me
I can barely recall
But it's all coming back to me nowIf you forgive me all this
If I forgive you all that
We forgive and forget
And it's all coming back to me now...
