

Give It Up Let It Go

Mary Mary

When the weight of the world seems
Like it's on your shoulders, bogging you down
When you feel like you're stuck in one place
And you just can't move it around
When it seems like you're so backed up
Into a corner that there's no way out, no
Just remember that you've got a friend
Who's watching and He knows all about
So you gotta let it go y'all
Give it up, gotta let it go
Give it up, gotta let it go
Give it up, gotta let it go
When you've shed so many tears
Until you just can't cry, no more
When your confidence is gone
And of yourself, you're not very sure
When you're at your lowest point
And you just wish it all would end
Just remember that you're not alone
And you can always turn to Him
You gotta, you gotta
Give it up, gotta let it go
Give it up, gotta let it go
Give it up, gotta let it go
Give it up, gotta let it go
When you've done all that you can do
And yet it's still too much to bear
Then it's time to turn it over
To the only one who knows ya
Better than you know yourself
Give it up, gotta let it go
Give it up, gotta let it go
Give it up, gotta let it go
Give it up, gotta let it go
Give it up, gotta let it go
Give it up, gotta let it go
Give it up, gotta let it go
Oh, put your mind to ease
Don't worry about these things
Let it go, go, go, go, go, go
Let it go y'all
