

# Testify To Love

Wynonna Judd

All the colours of the rainbow  
All the voices of the wind  
Every dream that reaches out  
Reaches out to find where love begins Every word of every story  
Every star in every sky  
Every corner of creation  
Lives to testify For as long as I shall live  
I will testify to love  
I'll be a witness in the silence  
Says the words are not enough  
With every breath I take  
We'll give thanks to God above  
For as long as I shall live  
I will testify to love From the mountains to the valleys  
From the rivers to the sea  
Every hand that reaches out  
Every hand that reaches out to offer peace Every sinful act of mercy  
Every step to kingdom come  
All the hope in every heart  
Will see what love has done For as long as I shall live  
I will testify to love  
I'll be a witness in the silence  
Says the words are not enough  
With every breath I take  
I will give thanks to God above  
For as long as I shall live  
I will testify love For as long as I shall live  
I will testify to love  
I'll be a witness in the silence  
Says the words are not enough  
With every breath I take  
I will give thanks to God above  
For as long as I shall live  
I will testify love
