Don't play no games
Cause I make you out a demonstration
Why you swervin' cause they hatin', why they hatin' cause you makin'
This cash dog, this hash dog who you thought it would be,
If you ain't buckin to the ceilin ya ain't rollin' wit me

When niggas on them b's and b's made you get out they way (hey)
People hollerin' why you act like this?
Is it them pills? hell no its that savage shit, that I done lived
Keep it real you be swervin' too
If you just spinnin'

Anything to attract them ho's
Hang out the window with they shirt off throwin' up them fours

 A nigga behind me in the excursion and he swerve
 Hit the parkin' lot by the club, just swerve
 Headlights shinin' on my dubs while I'm swervin'
 I keep a ole pistol on my lap while I'm swervin'
 Just in case I have ta peel a cap while I'm swervin'
 I play the six by nines wit tha slap while I'm swervin'
 I gotta have tha killa and the yak while I'm swervin'
 A for or five hundred dolla stack big swerve
 Smokin' on some doja early Monday and I been swervin' since Thursday
 Red bones in the back got me swervin'

 Cause I'm a boss, in the south side of Baton Rouge
 Where niggas swervin' on them twenties and them twenty twos
 We act a fool, back in the game I used to how tha dreams
 In my firebird on them choppas wit them fuckin screens
