Miss Me Gone

Patterson Hood

We've been good for each other
Held each other through so much
Now you're sittin' there givin' me that little look
Have to ask what that meansComes a time for countin' losses
Time to take this left and go
I'll be gatherin' my belongings
I'll be walkin' out that door
I'll be walkin' out that doorGonna miss me when I'm gone
Gonna miss me when I'm gone
I'll be sad, I won't be the only one
Gonna miss me when I'm goneNo use blamin' one another
Neither one of us to blame
Just picked a crazy time
To walk across each other's path
But I'm awful glad we cameComes a time for countin' losses
Wish that time had not come
Two more things before I walk out that door
You're the best friend I've known
Gonna miss me when I'm goneGonna miss me when I'm gone
Gonna miss me when I'm gone
I'll be sad, I won't be the only one
Gonna miss me when I'm gone
Gonna miss me when I'm gone
Gonna miss me when I'm gone
