Dino's Song

Quicksilver Messenger Service

I don't ever wanna see you cryin'
And I don't ever wanna see you blue, oh no
All I ever wanted to do was know you
And maybe hope you could know me tooWell, I don't ever wanna make you sorry
For anything you've ever said or done, oh no
All I ever wanted to do was love you
And maybe hope you could love me tooAnd it's all right, baby, I'm in love with you
And it's all right
I would never make you blue
Or try to play with youWell, I don't ever wanna spoil your party, babe
Or tell you where to go or what to do, oh no
All I ever wanted to do was know you
And maybe hope you could know me tooAnd it's all right, baby, I'm in love with you
And it's all right, yeah
I would never make you blue
Or try to play with youWell, I don't ever wanna spoil your party, babe
Or tell you where to go or what to do, oh no
All I ever wanted to do was love you
And maybe hope you could love me too
