

Band Of Gold

[Anna Nalick](#)

Now that you're gone, all that's left is a band of gold
All that's left of the dreams I hold is a band of gold
And the memories of a love could be
If you were still here with me You took me from the shelter of my mother
I had never known or loved any other
We kissed after takin' vows
But that night, on our honeymoon
Well, we stayed in separate rooms Yeah, I wait in the darkness of my lonely room
Filled with sadness, filled with gloom
And hoping soon that you'll walk back through that door
And you'll love me like you tried before Yeah, since you been gone all that's left is a band of gold
All that's left of the dreams I hold is a band of gold
And the dream of of a love could be
If you were still here with me Oh, don'cha know that I wait in the darkness of my lonely room
Filled with sadness, filled with gloom
And hoping soon that you'll walk back through that door
And you'll love me like you tried before Since you been gone all that's left is a band of gold
I said all that's left of the dreams I hold is a band of gold
And the dream of of a love could be
If you were still here with me
