

# Faith

## Kendrick Lamar

Listen baby  
Take a seat, have a drink  
It's on me  
We been deep  
In the trenches you never left me  
Cheers to u  
Your the shxt no one better than u  
I toast to u  
Im ok but with u I'm perfection  
U never lost faith in me  
U never lost faith in me  
Have your way yea

Have your way  
Not gon' lie I owe you everthing  
Couldn't have made it  
In my life if u wouldn't have stayed  
Cheers to u  
Your the shit no one better than u  
Toast to u love  
I'm ok but with u I'm perfection  
U never lost faith in me  
U never lost faith in me  
2x  
Have your way yea
