

Therapist Dialogue #2

Barbra Streisand

Barbra

[speaking]ooh, I like your couch. we never had a couch till I was eight!

Doctor

You were telling me about the time you were in summer stock?

Barbra

Yeah! I was...em ...seventeen, and i...i played hortense in "theBoy friend".

Doctor

Was there anything special about that summer?

Barbra

Yeah, I learned how to drive a stick shift.

Doctor

Did you meet anybody interesting? we are here to work on relationships!

Barbra

Oh...well, there was this boy in the company. I really liked him, but i, I didn't know how he felt about me. and then one night, he asked me to go over lines with him.

Doctor

And...

Barbra

And we were alone in the empty theater and we only had one copy of the script, so we had to sit very close to each other...

Doctor

And...

Barbra

[singing]
