

I Want to Be With You Always

[Willie Nelson](#)

I lose my blues, honey when I'm with you
No one else can do, you're in my heart to stay
But when I'm gone and I'm all alone
I'll be singin' a song, I wanna be with you always I'd be happy dear if you could only be here
And always be near forever and a day
We could travel far to some big shinin' star
Just me and my guitar and stay that sweetheart for always I lose my blues, honey when I'm with you
No one else can do, you're in my heart to stay
But when I'm gone and I'm all alone
I'll be singin' the song, I wanna be with you always
