As Above, So Below

Behemoth

I've seen strange signs on my way
Silent shadows
Dancing shapes
And angels fallen on the earthFace up
And look here
When the root of thy cannot reachArt thou Nephilim child
Are ye looking for thy Elysium
Here among the living trees
Among the fading stars
Varibility ov formsSometimes love
Sometimes sadness ov things
Sometimes rapture and wine o sabbath
Sometimes hatred, divine rage
And 93 rears, no limit
Beyond the sin-gilgolemYe taught me the secret words:
IOA SABAO
Protect thy DaimonWhy, why whisper thoughts
But might is raised
When conjurer of seasons
Hums the song, sorrowful, joyful
Night is eternal
And day is eternal
With runes ov life
And runes ov death
As above, so below
Now it's time ov the beast
