

Hail Caesar

[AC/DC](#)

He be the count of Monte Cristo
Could be a quake any day
Maybe somebody from Siam
Begin the era of a new rage Keeps lickin' all the honey
Chewin' up the fat he rakes
Instead of sending to the lions
They cover him with praise All hail Caesar
Hail, hail
All hail Caesar
Hail, hail Down at the epicenter things started heatin' up
Rockin' up the Richter scale
Swinging in the chariot around and around we go
The senators rehearse the tale Starring in the coliseum
Tied upon the rack
Up comes the thumb of Caesar
To stab you in the back All hail Caesar
Hail, hail
All hail Caesar
Hail, hail Down at the epicenter things started heatin' up
Rockin' on the Richter scale
Swingin' in the chariot around and around we go
The senators rehearse the tale Watch out Caesar
Watch out Caesar I said hail
I said hail
I said hail
I said hail Hail, hail, hail
Hail, hail, hail
Hail, hail, hail All hail Caesar
Hail, hail
All hail Caesar
Hail, hail All hail Caesar
Hail, hail
All hail Caesar
Hail, hail You gotta have eyes in the back of your head boy
Or you're dead
