

# I Belong To You (lany)

**Kevin Rudolf**

Been to LA, been to NY  
Baby you're the one  
That I'm looking for  
In an airplane, in a town car  
You're the only one, who can take me far  
I'd go anywhere, just to be with you  
Hope to see you there, I'll be leaving soon  
Cause when I come around, then you'll know why  
You're the only one, take me to the sky.

I won't tell you lies, I would sell my soul  
I'll follow you to the end of the road  
And I don't know why, I just can't let go  
I belong to you.

Been to LA, been to NY  
You're the only one, who gives me something more  
Been to UK, been to Tokyo  
Tell me where you been, I just gotta know  
You've been running wild, it ain't hard to see  
I was usin' you, you were usin' me  
When i come around, then you'll know why  
You're the only one, take me to the sky.

I won't tell you lies, I would sell my soul  
I'll follow you to the end of the road  
And I don't know why, I just can't let go  
I belong to you.

Oh, there goes the sunshine  
Now I'm driving through the rain  
Gotta make it through, just to hear you say it too  
I belong to you, I belong to you, yeah.

I won't tell you lies, I would sell my soul  
I'll follow you to the end of the road  
And I don't know why, I just can't let go  
I belong to you, I belong to you, I belong to you
