

Lucifer's Hammer

Crimson Glory

I am what you need
I am everything
I will kill your dreams
I will make you bleed I am what you need
I am everything
I will kill your dreams
I will make you bleed I am genocide
I destroy all life
Slam into your side
Hell and earth collide Slam down my Hammer!!
Black out the sun - as hell and earth collide
Slam down my Hammer!!
Black out the sun - as hell and earth collide I am oblivion
Angel full of sin
From heaven I descend
Destroyer for the end Slam down my Hammer!!
Black out the sun - as hell and earth collide
Slam down my Hammer!!
Black out the sun - as hell and earth collide Slam down my Hammer!!
Black out the sun - as hell and earth collide
Slam down my Hammer!!
Black out the sun - as hell and earth collide Lucifer's Hammer!!
Lucifer's - Lucifer's
Lucifer's Hammer!!
Lucifer's - Lucifer's
