This Time/Last Time

Shawn Mullins

My time is your time after all that
You've been through can you hear me calling
You and this line that I'm walking time it's
Pointing write to you I'm living my life withYou so call on me I'll guard myself just wait
And see I'll start a brand new now This time
Is the last time for me my life is in your
Hands you can take me all the way thisReligion in war torn lands the world has seen
Its better days
