

This Time/Last Time

[Shawn Mullins](#)

My time is your time after all that
You've been through can you hear me calling
You and this line that I'm walking time it's
Pointing write to you I'm living my life with You so call on me I'll guard myself just wait
And see I'll start a brand new now This time
Is the last time for me my life is in your
Hands you can take me all the way this Religion in war torn lands the world has seen
Its better days
