Jailbreak

The 4-Squares

Tonight there's gonna be a jailbreakSomewhere in this townSee me and the boys we don't like itSo were getting up and going down
Hiding low looking right to leftIf you see us coming I think it's bestTo move away do you hear what I sayFrom under my breath
Tonight there's gonna be a jailbreakSomewhere in the townTonight there's gonna be a jailbreakSo don't you be around
Don't you be around
Tonight there's gonna be troubleSome of us won't surviveSee the boys and me mean businessBustin' out dead or alive
I can hear the hound dogs on my trailAll hell breaks loose, alarm and sirens wailLike the game if you loseGo to jail
Tonight there's gonna be a jailbreakSomewhere in the townTonight there's gonna be a jailbreakSo don't you be around

Tonight there's gonna troubleI'm gonna find myself inTonight there's gonna be a jailbreakSo woman stay with a friend
You know it's safer
Breakout!
Tonight there's gonna be a breakoutInto the city zonesDon't you dare to try and stop usNo one could for long
Searchlight on my trailTonight's the night all systems failHey you good lookin' femaleCome here!
Tonight there's gonna be a jailbreakSomewhere in the townTonight there's gonna be a jailbreakSo don't you be around
Tonight there's gonna be troubleI'm gonna find myself inTonight there's gonna be troubleSo woman stay with a friend
