

Whispers in Blindness (Remastered)

Ace of Base

Darling you were looking good
When you came to me
And asked for a dance
And I said "we can dance" Felt like a queen
Swedish summer nights are hot
And the trees can talk
We lay on the grass So easily, so blessed
Whispers in blindness
And I didn't hold you back
I'm talking about it babe 'Cause you've been teasing me
I'm talking about it
'Cause you are bad right through
Stay with me and I shall want No other love
Stay with me another love another lie
Stay with me and I shall want
No other love You were talking so sweet
But you were touching
And teasing
I can hear the soft bells ring Through a thousand years
They call out to me
They say it's only once in a life we love
Now I've had the honor too You were holding my hand
You were kissing my skin
Stay with me
Trees are whispering
Only once my dear
