

Fallen

Mya

You complete me
Like air and water boy I need thee
And when I'm in your arms I feel free
Fallen my heads up in the clouds
In love I'm proud to you say it loud
Like an accident it happened
Out of nowhere it just happened
And I ain't mad at all
Because I've fallen
Head over heels, I've fallen
In love with you, I've fallen
And I can't get up
Don't wanna get up, because of love
Fallen, head over heels, I've fallen
In love with you, I've fallen
And I can't get up
Don't wanna get up, because of love
Baby, to let you get away is crazy
So I'm doing what it takes
To make you pledge your love to me
You see 'cause I'm tryna be a lady
For ever and ever baby
The picture wouldn't be the same
If you weren't standin' next to me
Can't you see, I'm fallin'
Fallen, head over heels, I've fallen
In love with you I've fallen
And I can't get up
Don't wanna get up, because of love
Fallen, head over heels, I've fallen
In love with you, I've fallen
And I can't get up, don't wanna get up
Because of love
You compliment me
Not an accessory, you're necessary
You never could speak bad words against me
Your bare with me, security
Are you here with me?
Your my happiness, my joy

I smile because of you, boy
I look forward to the time
I spend with you, whatever it is we do
'Cause, I'm fallen for you, boy
Yeah, yeah, yeah
(Fallen)
I've fallen for you
(Fallen)
Head over heels for you
So in love with you
(Fallen)
Love, oh, for you
Touch me, touch me
Hold me, hold me
Love me, love me
Kiss me, in love with you
Talk to me, talk to me, caress me
Play with me, don't wanna get up
Explore me, you're my everything
Fallen, head over heels, I've fallen
In love with you, I've fallen
And I can't get up
Don't wanna get up, because of love
