Best I Ever Hadâ—•

â—•State Of Shock

Now I know I messed up bad
You were the best I ever had
I let you down in the worst way
It hurts me every single day
I'm dying to let you knowNow I'm here to say I'm sorry
And ask for a second chance
Cause when it all comes down to the end
I could sure use a friendSo many things I would take back
You were the best I ever had
I don't blame you for hating me
I didn't mean to make you leaveYou and I were living like a love song
I feel so bad, I feel so bad that you're gone
Now I know you're the only one that I want
I want you back, I want you!Now I'm here to say I'm sorry
And ask for a second chance
Cause when it all comes down to the end
I could sure use a friendNow I'm here to say I'm sorry
And ask for a second chance
(All I want to do)
Cause when it all comes down to the end
(Is make it up to you)
You were the best I ever hadWe fell in love for a reason, now you're leaving
And I just want you back
So many things we believed in, now you're leaving
And words won't bring you back
I'll never let go of the heart I brokeYou and I were living like a love song
Now I know you're the only one that I want
I want you back, I want you!Now I'm here to say I'm sorry
And ask for a second chance
(All I want to do)
Cause when it all comes down to the end
(Is make it up to you)
I could sure use a friendNow I'm here to say I'm sorry
And ask for a second chance
(All I want to do)
Cause when it all comes down to the end
(Is make it up to you)
You were the best I ever hadI can't believe that I threw away all our dreams
I can't believe now that you're gone how much you mean to me

I feel so bad, I feel so bad
You were, you were the best I ever had!I can't believe that I threw away all our dreams
I can't believe now that you're gone how much you mean to me
I feel so bad, I feel so bad
You were, you were the best I ever had
