Mark My Words

Holly Miranda

Sneaking words into your pockets
I would lie behind your ears if I
thought you wouldn't forget I was thereOh you ooo ooo
You ooo oooAnd you were just what I needed oh
Life after the eye of a storm
And I know that I can come on so strong
If you would just give me a minute to find my groundFor you ooo ooo
'Cause I've been trippin' so long
Yeah I've been trippin' so longAnd I don't need anything from you
No I don't need anything
And if you want me to go I will go
But if you want me to stay I would love to stay
For you ooo ooo
'Cause I've been trippin' so long
Yeah I've been trippin' so long
