## **God Only Knows**

## **Natalie Maines**

I may not always love you
But long as there are stars above you
You never need to doubt it

I'll make you so sure about itGod only knows what I'd be without youIf you should ever leave me

Though life would still go on believe me

The world could show nothing to me

So what good would living do meGod only knows what I'd be without you(God only knows what I'd be without you)If you should ever leave me well life would still

go on believe me

The world could show nothing to me
So what good would living do meGod only knows what I'd be without you
(God only knows what I'd be without you)God only knows
God only knows what I'd be without you
God only knows what I'd be without you
God only knows what I'd be without you
God only knows what I'd be without youGod only knows
God only knows what I'd be without you
