Hotel Room

The Rangers

I'm all alone in this hotel room The fear inside of me is uncontrollable I hear the cops, see the sun, the sky is blue And all I can think about is being with you Guess, I'm all alone again, so Do you think you know the way I feel? And do you think you feel the way I do? 'Cause I am all alone, all my friends are home And soon I'll be there, wishing I was here Do you think you know the way I feel? And do you think you feel the way I do? 'Cause I am all alone, all my friends are home And soon I'll be there, wishing I was here Never once did I seem to care If I didn't have anybody near But now I do and I don't know what to say I feel lost in every possible way Guess, I'm all alone again, so Do you think you know the way I feel? And do you think you feel the way I do? 'Cause I am all alone, all my friends are home And soon I'll be there, wishing I was here Do you think you know the way I feel? And do you think you feel the way I do? 'Cause I am all alone, all my friends are home And soon I'll be there, wishing I was here Wishing I was here Wanna call you but I know I can't call you Wanna see you but I know I can't see you Wanna touch you but I know I can't touch you Wanna be inside of you Wanna call you but I know I can't call you Wanna see you but I know I can't see you Wanna touch you but I know I can't touch you Wanna be inside of you, wanna be inside of you Do you think you know the way I feel? And do you think you feel the way I do? 'Cause I am all alone, all my friends are home And soon I'll be there, wishing I was here

Do you think you know the way I feel? And do you think you feel the way I do? 'Cause I am all alone, all my friends are home And soon I'll be there, wishing I was here (Do you know the way I feel?) Wishing I was there (Do you know the way I feel?) Wishing I was there (Do you know the way I feel?) Wishing I was there (Do you know the way I feel?) Wishing I was there
