Further On

Bronze Radio Return

Smoke in the sky and fire in the air
Desire burns between them
One big push is gonna get you there
Takes a stronger eye to see them
When you see it in front of you
In a silhouette up ahead
And you see where you're going to[Chorus:]
Lead your way
Sing your song
Moving every day, going further on
Lead your way
Keep on strong
Moving every day, going further onBreak of day 'til the sun goes down
You work the time between them
Far off land to your own home town
You've been all around to see them
And when it's standing in front of you
You take it and you pull it in
Can you see where you're going to?[Chorus:]
Lead your way
Sing your song
Moving every day, going further on
Lead your way
Keep on strong
Moving every day, going further on
