All My Love

Tauren Wells

Lost, I'm chasing every thought
The desires of my heart are tempting
And I, I'm goin' out my mind
It's changin' like the tide
Caught in between what I want and what I needSo free me from the false reality
That keeps me from wanting what You want
Completely focused on You 20/20
You're my one and only
You got my love, You got it
Oh, oh, oh, You got it
You got all my love
You got my love, You got it
Oh, oh, oh, you got it
Next to You there's none
You got my love
You got it, You got it
All my love
You got it, You got it
All my loveI, I'm feeling paralyzed
In the middle of both sides
Just drifting
So what, what's my religion worth
If it's nothing more than words
It's empty and that ain't me
So free me from the false reality
That keeps me from wanting what You want
Completely focused on You 20/20
You're my one and onlyYou got it, my heart, my soul is Yours
You got it, my heart, my soul is all Yours
All my love
