

# White Letters (feat. Melissa Loretta)

## ATB

Just stop  
Nanana, nanana  
Ooh  
Just stop  
Nanana, nanana  
Ooh  
I can see it  
Like its fifty years from now  
So complicated  
I got you figured out  
And Ive predicted  
That you will steal my heart  
Though its overrated  
I come apart  
When you come  
Take the corners of my mind  
A feeling taking over  
I see the constellations  
A few white letters  
They've played the questions I've designed  
I fear its far from over  
I see the constellations  
A few white letters  
Nanana, nanana, nanana  
Just stop  
Nanana, nanana  
Ooh  
Ive pretended  
That I can shape your world  
Youre so unaffected  
And Ive complied with all your turns  
Feelings jaded  
I'm on your trail so long  
Youll stand a witness  
When it comes undone  
When you come  
Take the corners of my mind  
A feeling taking over  
I see the constellations

A few white letters  
They've played the questions I've designed  
I fear its far from over  
I see the constellations  
A few white letters  
Nanana, nanana, nanana  
Ooh  
Just stop  
Nanana, nanana  
Ooh
