Here is Crazy, by PYLON, redone by

LISTen...

You're funny and you don't know why

YOu're funny and you can't even cry

You're funny and you don't know why

You're funny and you don't even try

You're head keeps SHAKIN

Because you're arms are SHAKING

And your feet are SHAKING

Because the EARTH is SHAKING

Listen...

Nothing can hurt you unless you want it to

There are no answers

Only reasons to be STRONG

You take a walk

You take a walk and you try to understand

Nothing can hurt you unless you want it to

Oh...

Your'e in love and you don't know WHY

You're in love and you can even cry

You're in love and you don't know why

You're in love and you don't even try

(cause) you're HEAD keeps SHAKING

Because you're arms are shaking

And you're feet are shaking

(because) the EARTH is shaking
