Days in the Sea

Wake Owl

You never wanted love
Someone said "boy, what kind you are?"
Then he took an hour to get in my heart,
And all he wanted was moreSo, lets get out of here!
The simple days in the sea
Cause no one need a sound
So lets get out of here!I'm coming up from somewhere
Looks like the bottom of my own soul
And do you recognize me
Close to myself I look at some kind of door
So, lets get out of here!
The simple days in the sea
Cause no one need a sound
So lets get out of here!
