## Tame Impala

If only there could be another way to do this
Cause it feels like murder to put your heart through this
I know I always said that I could never hurt you
Well this is the very, very last time I'm ever going toBut I know that I'll be happier
And I know you will too
Said, "I know that I'll be happier
And I know you will too
Eventually
Eventually"Wish I could turn you back into a stranger
Cause if I was never in your life, you wouldn't have to change thisBut I know that I'll be happier
And I know you will too
Said, "I know that I'll be happier
And I know you will too
Eventually
Eventually"And I know just what I've got to do
And it's got to be soon
Cause I know that I'll be happier
And I know you will too
Eventually
