To Be Alone With You

Sufjan Stevens

I'd swim across lake Michigan I'd sell my shoes I'd give my body to be back again In the rest of the roomTo be alone with you To be alone with you To be alone with you To be alone with youYou gave your body to the lonely They took your clothes You gave up a wife and a family You gave your goalsTo be alone with me To be alone with me To be alone with me You went up on a tree Aah, aah, aahTo be alone with me You went up on the tree Aah, aah, aahI've never known the man who loved me Aah, aah, aah
