

# Lover (Midi Mafia)

James Fauntleroy

All my life Ive been lovin,  
Been a lovin fool,  
It aint nothing new,  
But in my defense,  
My love is damn good,  
If he only new,  
He would love me too, Tryin to stop my love,  
Its like warm water on the sun,  
Like fire and rain and sun,  
We can try it everyway you want, Better born lover,  
Born lovin,  
Im a born lover,  
Dont you love it,  
I was born to love you let me tell me yes I love you let me do what Im here to do just love like a born lovers  
supposed to. In your life for a reason,  
Baby you need me too,  
I know I need you,  
You drop your defense like I knew you would,  
It came natural thats we were born, Tryin to stop my love,  
Its like warm water on the sun,  
Like fire and rain and sun,  
We can try it everyway you want, Better born lover,  
Born lovin,  
Im a born lover,  
Dont you love it,  
I was born to love you let me tell me yes I love you let me do what Im here to do just love like a (Aa Ooo) Born  
to love you,  
Till our life is through,  
Its what Im gonna do, Better born lover,  
Born lovin,  
Im a born lover,  
Dont you love it,  
I was born to love you let me tell me yes I love you let me do what Im here to do just love like a Born lover,  
Just born loving,  
Im a born lover,  
Don't you love it,  
I was born to love you let me tell me yes I love you let me do what Im here to do just love like a born lovers  
supposed to.
