

# Shiloh Town

Mark Lanegan

It is so cold in Shiloh town  
Birds can hardly sing  
Pretty girls gonna leave the town  
They won't be back 'till spring War is done they've come back home  
But they're the ones that lost  
See a man and a woman alone  
Was it worth the cost? I'll sing hallelujah  
You'll sing hallelujah  
We'll all sing hallelujah  
When they arrive at home Sun is out it's hot to today  
Children all come out to play  
Some are quick to come back home  
Others, gone to stay Gets so cold in Shiloh town  
Birds can hardly sing  
Pretty girls gonna leave the town  
They won't be back 'till spring I'll sing hallelujah  
You'll sing hallelujah  
We'll all sing hallelujah  
When they arrive at home
