

Electric Funeral

Black Sabbath

Reflex in the sky warn you you're gonna die
Storm coming, you'd better hide from the atomic tide
Flashes in the sky turns houses into sties
Turns people into clay, radiation minds decay
Robot minds of robot slaves lead them to atomic rage
Plastic flowers, melting sun, fading moon falls upon
Dying world of radiation, victims of mad frustration
Burning globe of oxy'n fire, like electric funeral pyre
Buildings crashing down to a cracking ground
Rivers turn to wood, ice melting to flood
Earth lies in death bed, clouds cry water dead
Tearing life away, here's the burning pay
Electric funeral
Electric funeral
Electric funeral
