At four in the morning. Ring a ling a ling a who's calling.
My phone so late in the morning.
Pick it up pick it up no warning.
I'm a answer the phone for she on it.
Yeah yeah yeah I want it late at night tip bang
You could go get right, get right long as the heads right.
Me and you in the whip of the red light.
So put it all over me, all over me.
Tell me where you wanna go tell me how you wanna feel.
Baby we could do it fast baby we can do it slow.
Tell me where you wanna go tell me where you wanna be.
Yeah and I hope that it's next to me.
You don't wanna have sex with me, then why you keep texting me.
Alright I'm a hit you back later. Honey I, oh I, I got something for ya, baby.
'Cause if I'm calling at 2 in the mornin' it only means one thing,

My phone go ring a ling a ling ling,
Ring a ling a ling ling, ring a ling a ling ling,
