

The Sky Is Crying (Live At Carnegie Hall)

[Stevie Ray Vaughan](#)

The sky is crying,
Can you see the tears roll down the street.
The sky is crying,
Can you see the tears roll down the street.
I've been looking for my baby
And I've been wondering where can she be I my baby early one morning
She was walking on down the street
I my baby early one morning
She was walking on down the street
You know it hurt me, hurt me so bad
It made my poor heart skip a beat I got a real, real fine feeling
That my baby she don't love me no more
I got a real, real fine feeling
That my baby she don't love me no more
You know the sky's been crying
Can see you see the tears roll down my door
