Defiance

Lex Zaleta

Defiance burns in your eyes;
The fire is hotter than Hell.
Deep inside your mother cries,
Pretending that all is well.
Pretending that all is well.Defiance burns in your ears,
Searing lies into your brain.
Your family's filled with fear
As you spread unceasing pain.Oh, where is that sweet angel
Who played in the nursery?
There was no way to foretell
This flash flood of misery.
There was no way to foretell
This flash flood of misery.Defiance burns in your heart;
The flames eat up your spirit.
Your father is falling apart.
His heart breaks - can you hear it?
His heart breaks - can you hear it?Oh, where is that sweet angel
Who played in the nursery?
There was no way to foretell
All this coming misery.
There was no way to foretell
All this coming misery.Defiance burns in your soul,
Igniting demons within.
But God is still in control.
Pray that He keeps you from sin.Oh, where is that sweet angel
Who played in the nursery?
There was no way to foretell
All this coming misery.
