Alpenglow (instrumental)

Nightwish

Once upon a time a song was heard
Giving birth to a child of Earth and verseTogether we slay another fright
Every Jub-jub bird spooks of the past
Close your eyes and take a peek
The truth is easy to seeWe were here, roaming on the endless prairie
Writing an endless story
Building a Walden of our ownWe were here, grieving the saddened faces
Conquering the darkest places
Time to rest now and to finish the show
And become the music, one with alpenglowHand in hand guiding me into light
You, the fairy tale guise in blue and white
Together we slay another fright
Every Jub-jub bird spooks of the past
Close your eyes and take a peek
The truth is easy to seeWe were here...
We were here, roaming on the endless prairie
Writing an endless story
Building a Walden of our ownWe were here, grieving the saddened faces
Conquering the darkest places
Time to rest now, and to finish the show
And become the music, one with alpenglowBe warm my path, my home, my star
A beautiful tale within the tale
And when the dust needs to move onI will tuck us in on a bed of snow
Building light sands in the valley within
Together we sleep, devoured by love
We were here, roaming the endless prairie
Writing an endless story
Building a Walden of our ownWe were here, grieving the saddened faces
Conquering the darkest places
Time to rest now, and to finish the show
And become the music, one with alpenglowWe were here, roaming on the endless prairie
Writing an endless story
Building a Walden of our ownWe were here, grieving the saddened faces
Conquering the darkest places
Time to rest now, and to finish the show
And become the music, one with alpenglow
