Silvery Fox

Paolo Conte

Life is a bound
The nights are very incredible
Bound is a life
The landscapes are memorableSoul is a life
And a soul is a bound
Soul is a life
And a soul is a boundAh, moonlight on winter flour
Silent steps on sparklin' hoursSilvery fox is walkin'
Here's a real queen
Through the black trees
Another soul in the nightCan be we friends?
And can we talk?
Give me a start
Listen to the heartLife is a bound
The nights are very incredible
Bound is a life
The landscapes are memorableSoul is a life
And a soul is a boundAh, moonlight on winter flour
Ah, moonlight on winter flour
