My Hell

Southern Backtones

Welcome to my Hell
Where thoughts of you provide horrors
Fun apartment failures
on the way down
Shake well before use
on there way down
Welcome to my Hell
Where ghosts of you provide horrors
Bad engagement failures
on the way down
Shake well before us
on the way down
Female aberrations
on the way down
Translucent lovers
on the way down
Blissful bedroom spirits
on the way down
Laughing bathtub demons
on the way down
