Gravity

Easily Embarrassed

Hmm, yeah
Hmm, Hmm?

Can anybody tell me why
I feel like I just lost control
And I can't get it back no matter how hard I try
There's no real way to say goodbye
And I donÃ‚Â´t even know if I wanna go
You'd be lying if you didnÃ‚Â´t say there's something that donÃ‚Â´t feel right

Well, we keep talking and talking
While nothing ever seems to come out of it
And I know that I can make you see the way I feel
(Ooh)
Well now my heart is broken
And I just canÃ‚Â´t make any sense of it
All I know is you're everything that's real

(Ooh!)

[Chorus]
This ain't the way that it supposed to be
When you're in love.
You got me stuck here on the ground
Everything feels heavy
And I can't carry the weight for the both of us
Your gravity's holding me down

I can't move on,
'Cause gravity's holding me down
I don't know how
But your gravity's holding me down.
Wanna spread my wings, but no
Your gravity's holding me down
I don't know how
But your gravity's holding me down

What's going on
I don?t wanna feel this way
I keep holding on to the way that it used to be

Now tell me where to go from here
I don't want to lose this thing we have
But I can't deny, you're so far away from me

Well, you keep talking and talking
While nothing ever seems to come out of it
And I know that I can make you see the way I feel
(Ooh!)
Well now my heart is broken
And I just canÃ‚Â´t make any sense of it
All I know is your everything that's real

(Ooh!)

[Chorus]

I can't move on,
'Cause gravity's holding me down
I don't know how
But your gravity's holding me down.
Wanna spread my wings, but no
Your gravity's holding me down
I don't know how
But your gravity's holding me down

[Chorus]

I can't move on,
'Cause gravity's holding me down
I don't know how
But your gravity's holding me down.
Wanna spread my wings, but no
Your gravity's holding me down
I don't know how
But your gravity's holding me down

(Ooh) Gravity's holding me down
(Ooh) Gravity's holding me down
(Ooh) Gravity's holding me down
(Ooh)
