Wake Me

Seasons After

Sometimes I can't keep it all inside
Sometimes I just run and hide
And I don't see I'm the only one
That has to struggle throught this lifeI'm dying in this nightmare
I wanna do it so bad
I don't think I can make it
So wake me when it's overCarry the weight of the world from my shoulders
Wake me when it's over
Carry the weight of the world from my shoulders
Wake me when it's over
Well everyone's cold, we're all the same
The only thing given to me was my last name
I should've been more and turned away
But I can't explain so much lost and nothing gainedI'm dying in this nightmare
I wanna do it so bad
I don't think I can make it
So wake me when it's overCarry the weight of the world from my shoulders
Wake me when it's over
Carry the weight of the world from my shoulders
Wake me when it's overThis pain and rage is taking over me
This pain and rage is taking over
Wake me when it's over
Carry the weight of the world from my shoulders
Wake me when it's over
Carry the weight of the world from my shoulders
Wake me when it's over
It's over
Wake me when it's over
Carry the weight of the world from my shoulders
Wake me when it's overThis pain and rage is taking over me
