

The Girl of My Dreams (Is Giving Me Nightmares)

Machine Gun Fellatio

The girl of my dreams is giving me nightmares
I found her on TV now I see her everywhere
She's got style, she's got violent ways about her
She's got me so that I can't dream without her
She's giving me nightmares
She's giving me nightmares
She's giving me nightmares
My bedside is loaded
My bedside's exploded
Hard to believe you can't get
What you're dreamin'
If you try sometimes you might find
You get what you steal
The girl of my dreams is giving me nightmares
I don't know what it means but she's got multi colored hair
When she stands in the sand I dream of peaches
And I'm not sure what that means either
She's giving me nightmares
She's giving me nightmares
She's giving me nightmares
People keep on staring
People keep on staring
And it's one flat pick to get started
It's two flat pick to get started
My ceiling is on fire
My feelings are on fire
Hard to believe you can't get
What you're dreamin'
If you try sometimes you might find
You get what you steal
The girl of my dreams is giving me nightmares
And someone wrote a message on my bus
My breakdown is comin' runnin',
Seein's believin', believin's believin'
My ceiling is on fire
My feelings are on fire
My feelings, my feelings
My feelings are on fire
Hard to believe you can't get
What you're dreamin'
My feelings, my feelings
My feeling, my feeling
Hard to believe you can't get
What you're dreamin'
My feelings, my feelings
My feeling, my feeling
If you try sometimes you might find
You get what you steal
You get what you steal
