

Don't Stop Me Now

Queen

Tonight I'm gonna have myself a real good time
I feel alive

And the world I'll turn it inside out

And floating around in ecstasy So don't stop me now, don't stop me

'Cause I'm having a good time, having a good time I'm a shooting star leaping through the sky like a tiger

Defying the laws of gravity

I'm a racing car passing by like Lady Godiva

I'm gonna go go go There's no stopping me

I'm burnin' through the sky two hundred degrees

That's why they call me Mister Fahrenheit

I'm traveling at the speed of light

I wanna make a supersonic man out of you

Don't stop me now

I'm having such a good time, I'm having a ball

Don't stop me now

If you wanna have a good time just give me a call

Don't stop me now

'Cause I'm having a good time

Don't stop me now

Yes I'm havin' a good time

I don't want to stop at all I'm a rocket ship on my way to Mars

On a collision course

I am a satellite, I'm out of control

I am a sex machine ready to reload

Like an atom bomb about to explode I'm burnin' through the sky two hundred degrees

That's why they call me Mister Fahrenheit

I'm traveling at the speed of light

I wanna make a supersonic woman of you

Don't stop me, don't stop me

Don't stop me hey hey hey

Don't stop me, don't stop me

I like it

Don't stop me don't stop me

Have a good time, good time

Don't stop me don't stop me

Alright I'm burnin' through the sky two hundred degrees

That's why they call me Mister Fahrenheit

I'm traveling at the speed of light

I wanna make a supersonic man out of you Don't stop me now

I'm having such a good time, I'm having a ball
Don't stop me now
If you wanna have a good time just give me a call
Don't stop me now
'Cause I'm having a good time
Don't stop me now
Yes I'm havin' a good time
I don't want to stop at all
