

# Alcoholic

## Common Kings

You're the chaser to my Crown Royal  
Body like a Coke bottle  
and with every drink  
I can't help but think  
How smooth you go down yeah

Baby girl I love your flavor  
you're the Rockstar after that Jagger  
Southern Comfort when I need to be held  
So in love with you girl

I'm so drunk off your love girl I'm buzzin  
And I can't get enough, of your lovin  
Sippin you down girl I love it

You're the reason I'm an alcoholic [2x]

You're the juice that makes my knees weak  
my grey goose, baby you complete the mix drink  
My Patron I'm takin shots of you  
So into you, you're my Malibu  
My passion for you like my Alize'  
Baby it turns blue when you go away  
So in love you girl  
So thirsty

I'm so drunk off your love girl I'm buzzin  
And I can't get enough, of your lovin  
Sippin you down girl I love it

You're the reason I'm an alcoholic [2x]

Your love is the only love I'm tastin  
Cuz baby girl, you're so intoxicating  
So Imma keep sippin your love  
Girl I never been so drunk

I'm so drunk off your love girl I'm buzzin  
And I can't get enough, of your lovin

Sippin you down girl I love it

You're the reason I'm an alcoholic [4x]
