

# Delicious Surprise (I Believe It)

Jo Dee Messina

If I won me the lottery  
Id dance naked in the street  
With a top hat full of money  
And youd wanna get to know me  
If I won me the lottery And if I was a movie star  
Id sip honey from a pickle jar  
In the back of my limousine  
Theyd call me an icon  
And Id be lookin back at you  
From the cover of the people magazine I guess its all for the takin  
I guess its all yours and mine  
My sister says I got to see it and believe it I believe it  
I believe it If I am just an outside  
Im livin in a tailor with a black and white TV set  
If only I was president, yeah  
You know Id paint the white house pink  
And never have to pay the rent  
If only I was president I guess its all there for the takin  
I think its all yours and mine  
My preacher says Ive got to see it and believe it I believe  
I wont sleep til Ive had enough  
I believe  
Wont sip my wine from no paper cup  
I believe  
Wont sleep til Ive had enough  
Until Ive had enough Delicious surprise  
Now I do believe  
Now its there all the time  
Inside I knew it all the time Got me somethin to believe in  
But all I really want now is  
A handful of salvation I believe  
I wont sleep til Ive had enough  
I believe  
Wont sip my wine from no paper cup  
I believe  
Wont sleep til Ive had enough  
Until Ive had enough I believe  
I wont sleep til Ive had enough  
I believe

Wont sip my wine from no paper cup  
I believe  
Wont sleep til Ive had enough  
Until Ive had enough
