

I'm Not Afraid

Skunk Anansie

Another useless fight, saddened words ring true,
Leaving like a saint, still clouds follow you,
I've been behind your wall of words,
Your sneaky with facts,
Look who's talking, now I've seen through cracks,
Not so dead afraid,
No I'm not afraid, now you've all the light
Beauty's all you are, friends for days & eternal nights,
Solid head for life, craving all this might
Now you've all the light, still I feel you, by my side,
Nothing's useless now, friends have always time to try,
The selfish hands hold me, now I wander far
