

# These Boots Are Made for Walkin'

Nancy Sinatra

You keep saying you got something for me

Something you call love but confess

You've been a'messin' where you shouldn't 've been a'messin'

And now someone else is getting all your bestThese boots are made for walking,

And that's just what they'll do

One of these days these boots are gonna walk all over youYou keep lyin' when you oughta be truthin'

You keep losing when you oughta not bet

You keep samin' when you oughta be a'changin'

Now what's right is right but you ain't been right yetThese boots are made for walking,

And that's just what they'll do

One of these days these boots are gonna walk all over youYou keep playing where you shouldn't be playing

And you keep thinking that you'll never get burnt (HAH)

I just found me a brand new box of matches (YEAH)

And what he knows you ain't had time to learn

These boots are made for walking,

And that's just what they'll do

One of these days these boots are gonna walk all over youAre you ready, boots? Start walkin'
