

# People Watching

Jack Johnson

Well I'm just people watching, the other people watching me  
We're all people watching, the other people watching weWe're as lonely as we want it to be  
We're all as lonely as we want it to be  
Just as lonely as we want it to be  
I'm just you, you're just me  
It's only true, if we believeWell there really ain't no use in stopping  
What nobody never told me not to do  
So I'll keep people watching  
Watching me now  
Finding my way back to youWe're as lonely as we want it to be  
We're all as lonely as we want it to be  
I'm just as lonely as we want it to be  
I'm just you, you're just me  
It's only, true if we believeI see so many feet going so many ways  
People passing by they got nothing to say  
On our own just watching and confused  
Well if nobody told me what to do  
I guess I'm breaking all the rulesWell I'm just people watching the other people watching me  
We're all people watching the other people watching weWe're as lonely as we want it to be  
We're not so lonely as we want it to be  
I'm just as lonely as I want it to be  
Not so lonely  
Lonely  
Lonely  
Lonely  
Lonely  
Lonely  
Lonely
