

# Do You Mind

## Bacuzzi

Yeah, uhh  
Girl you lookin' so sexy, you know  
Come ova here  
Let me talk to for a min  
Check this out  
I got your message on my cell phone  
You said that you were gonna be home alone  
(Ohh)  
You know, I can't miss a chance to have your body next to mine  
(Next to mine)  
See I pull up into your drive way  
And you rushed at the door 'cause you been missin' your man  
(Missin' your man)  
All your friends are gone so we actin' grown  
(Grown)  
Let's play house all nite  
You take my clothes off  
I take your clothes off  
I turn the lights off  
You turn a light on  
'Cause you wanna see me  
While we get freaky  
N' to start it off I got one question  
For you tell me do you mind?  
Do you mind if I wanna put my lips right there ?  
(Ohh, do you mind if I wanna put my lips right there?)  
Do you mind if I wanna pull on your hair?  
(Do you mind if I wanna pull on your hair?)  
Do you mind holdin' onto somethin' while I'm workin' in the rear ?  
(Whilin' I'm workin', workin' from the back baby)  
Let's make love, let's make love  
Make love all over tha place babe  
We can get started on the couch  
Doin' things we shouldn't do in the living room  
(Baby)  
Now we're all over the house showin' me somethin' new  
How your body moves  
(Baby)  
I got you screamin' my name babe

And you know, it drives me so crazy  
(Ohh why?)  
I gotta have it tonite  
(Girl)

Girl put on your favorite song  
(Put on your favorite song)

While I put your body all over the floor  
(Ohh, ohh, yeah)

Do you mind if I wanna put my lips right there?  
(Do you mind babe said, ?I wanna put my lips right there?)

Do you mind if I wanna pull on your hair  
(Do you mind if I wanna pull on your hair)

Do you mind holdin' onto somethin' while I'm workin' in the rear  
(Feels so good I'm gonna cry)

Let's make love, let's make love  
Make love all over tha place babe  
Said, girl put on your on favorite song  
While I keep puttin' my body all over yours

Do you mind if I wanna put my lips right there?  
(No, I don't mind if you wanna put your lips right there)

Do you mind if I wanna pull on your hair?  
(No, I don't mind if you wanna pull my hair)

Do you mind holdin' onto somethin' while I'm workin' in the rear  
(No, I don't mind, no I don't mind)

Make love all over the place babe  
(Ooh yeah)

Oh, ya feels so good baby

Let me wash you off  
So wat you wanna do?

Do you mind holdin' onto somethin'  
While I'm workin' in the rear  
(No, I don't mind, no, I don't mind)

Do you mind holdin' onto somethin'  
While I'm workin' in the rear  
(No, I don't mind, no, I don't mind)  
Ohh, let's make love  
Do you mind if I wanna put my lips right there?  
(No, I don't mind if you wanna put your lips right there)  
Do you mind if I wanna pull on your hair?  
(No, I don't mind if you wanna pull my hair)  
Do you mind holdin' onto somethin'  
While I'm workin' in the rear  
(No, I don't mind, no, I don't mind)
