

Back Then (feat. William \$)

Alexander Lewis

He couldn't let nobody turn me round, turn me round,
turn me round Couldn't let nobody I say I say Lord, oh Lord,
oh Lordy They still call,
not picking up I switch phones like I switch
shorties, different broads on different months
I see now y'all made up a story when I ask 'bout where y'all from I'm
still drawling down them 40s bitch
That's all day, all day, all day FUCKBOY!
I got more than they ask for Rushing shows with my mask on Fucking
hoes with my mask on I let her partner tape it and cut the
compilation I got choppas long as they last for Shottas don't fuck
with backboards Ain't tryna box or lay up, you get the box to lay up
It's all they want Outside cream with the sorbet guts,
but the car made up Bitch a sweet sixteen cost an arm and a leg What
they can't pay for they gon' always touch I'm in killion slacks,
hurt A jillion jacks Pirelli's in Philly,
